

CULTURE. COMMUNITY. LANGUAGE. ART.

Emerging from the pandemic, and from massive roof damage and an epic flood, I-House began envisioning a future in 2023. With passion, imagination, and creativity, I-House began filling up with culture, art, music, and ideas. Volunteers grew our learning programs to include Persian drumming, French and Peruvian dance, and Public Speaking. We renovated our backyard for more gatherings, concerts and events. We developed a new English learning program for refugees and newcomers. We launched the I-House World Tour: Native American Perspectives on the Wintun Homeland with beautiful storytelling and delicious cooking. Connections, friendships and memories were made, and perspectives were expanded. And we began a strategic planning process so that we can continue this momentum, thoughtfully and sustainably.

We have big plans to become THE local hub of global culture with MORE opportunities to experience art, culture, music, food, and dance from all over the world, but we need your support to do so. **Please consider a year-end gift to I-House Davis so we can bring you more concerts, exhibits, and talks at I-House in 2024.** Help us support international scholars, visitors, newcomers and English learners and build a vibrant, inclusive, and collaborative home for global culture right here in Davis.
