BEST WISHES FROM INTERNATIONAL HOUSE DAVIS

As the winter holiday season begins, we are so grateful for our community that helped I-House survive through the pandemic. We hope you will consider an end-of-year gift to help us THRIVE in the coming year.

REOPENING. REBUILDING. RENEWING OUR COMMITMENT.

At International House Davis, we are grateful to be emerging from Covid-19, gradually opening our doors again for classes and programs for our community. Covid-19 continues to challenge us, but it has also strengthened our commitment to I-House's purpose since its inception over 40 years ago – to build community, foster international understanding and cultivate cultural connections.

Earlier this month we raised over \$30,000 for Afghan refugees, a testament to I-House's ability to bring people together for the common good! It is only through the generosity of community members like you that we can continue to create positive change in our community and our world.

EQUITY. INCLUSION. INTERNATIONAL UNDERSTANDING.

Your tax-deductible donation will provide programs to English language learners, raise awareness about global issues, and foster an intercultural, inclusive community. Your gift will help us bring back International Festival 2022, continue our racial equity learning program and create new, dynamic cultural programs that will bring our community together again.

THE PROGRAM HAS ALLOWED ME TO SEE THINGS THROUGH A NEW, BETTER-INFORMED LENS, AND GIVEN ME TOOLS TO BE MORE PROACTIVE AND SECURE IN PROMOTING RACIAL EQUITY AND WORK AND BEYOND.
