2026 EVENT & PROGRAM SPONSORSHIP OPPORTUNITIES

Be Bold. Invest in Belonging.

International House Davis (I-House) is a nonprofit cultural center that fosters cross-cultural understanding and belonging through vibrant community programs and events. The 2026 Event and Program Sponsorship Opportunities invite partners to support this mission and help sustain programming that strengthens community connection.

Your sponsorship supports a connected, inclusive community—one where people come together, build understanding across cultures, and grow a shared sense of belonging. I-House Davis offers two categories of sponsorship: Individual Event Sponsorships, which support individual gatherings, and Annual Program Sponsorships, which sustain year-round impact. These sponsorship levels are customizable, and we are open to discussing additional benefits or tailored packages based on your company's needs and preferences.
