DAVIS
international
house

For over 40 years, I-House has been Davis's Global Living Room, where visitors, newcomers, students, and residents connect and feel at home.

Membership gives you access to programs and the chance to help create them: language and conversation groups, music and dance, book discussions, and cross-cultural friendships.

Membership fee goes to sustain the space, staff, and infrastructure; volunteers and supporters cover the rest.

FALL 2026
